

## Kimi News, Week 1, Term 2, 2015

Kia Ora Koutou!

Welcome to Term Two. We are excited about the term ahead. Our focus of learning for the term will be **Paws, Claws and Fangs**, learning about animals.

The mathematics focus will be on developing numeracy skills and we continue to have a strong focus on literacy.

### **Do you have a friendly animal at home who would like to visit school?**

We are hoping to make the learning about animals very hands-on and practical. As well as visits from the SPCA and a trip to the zoo we would like to welcome pets to school this term! If your whanau has a pet that you would like to bring to school please contact your child's teacher.

Board of Trustee's Meetings - BOT meetings are open to any member of the community and you are warmly welcome to attend. The dates for this term are:

Tuesday 19 May 2015  
Tuesday 30 June 2015  
Naenae at 7.00pm.

## Staff Development:

During the school holidays staff have been involved in a range of professional development including:

- \* A full staff day around MOVE - Mobility Opportunities via Education/Experience. The philosophy behind MOVE is to take every opportunity to enable students to develop their physical skills so that they become increasingly independent in sitting, standing, walking, transitioning, and using the bathroom. To find out more go to ...

<http://www.move-international.org>

- \* A group of staff attended a course by Sally Clendon which was on literacy development. Kimi Ora hosted the course for approximately 60 attendees.

- \* One of our Speech Language Therapists attended a PODD training. This is way of helping students communicate using pictures. <http://www.novita.org.au/Content.aspx?p=683>
