

Ka pai tō mahi!

Thumbs Up vocational programme for post-secondary school students came to Naenae for a jam. They have been visiting a couple of times each term to share music together. It is lovely to catch up with some Kimi Ora graduates, including Karen who is pictured above playing the keyboard with Siobhan.

We are fortunate to have Kat joining us to complete an internship. Kat is from Germany and will be with us for 8 weeks. Kat has a lot of experience working with students who have special needs and is looking for caregiving work out of school hours. If you are looking for a carer support worker she would love to get in touch with you. Kat is currently living in Wellington City and does not have a car.
