Matariki Experience - Te Papa

Last week the older students (Totara, Pohutukawa, Kahu, Pukeko and Kotuku Classes) went to Te Papa for a Matariki Experience. The Te Papa host, Rebecca, did an exceptional job of creating a wonderful learning experience that was hands-on and created lots of sensory learning for our students. This included exploring the Marae, waiata, and going into a Star Lab to see the Matariki constellation.

If you have not already done so, please send \$4 into school to cover the cost of this trip.
