

On Monday Pohutukawa Class (Room 1 Evans Bay) went to Rosie Matheson's house. Philippa, Alex and Rosie were wonderful hosts. They set up activities for everyone including music, craft, wheelbarrow rides and more!

It was a great experience to help the students work on a range of skills, particularly their ability to climb steps - there were 58 to navigate in order to get up to the house!

Well done Pohutukawa Class for getting up there and for having wonderful manners while visiting their classmate's home.

Thanks to Rosie, Alex and Philippa for a great trip!
