

Kimi News, Week 4, Term 2, 2015

We are pleased to announce that two of our students will be starting work experience at Pak n Save. It is such a wonderful opportunity and we thank Pak n Save for their generosity.

Another inclusive business is Co-Ed Coffee Educators who employ a number of Deaf staff members. If you are looking for a coffee break head down there for great coffee and practice your signing at the same time!

Sign of the Week:

We have a school Facebook page for parents, students and staff. It is a great way to share information, achievements, advertise and develop the Kimi Ora community.

We would like to encourage people to use this site as our policy moving forward is for staff to only use the school Facebook page rather than being Friends with individual families. Please do not be offended if staff members from Kimi Ora School no longer appear on your friends list.

 Some great moments captured this week...

Totara Class have been joining Wellington East Girls College in the hydrotherapy pool at the Wellington Regional Aquatic Centre. We are grateful to Wellington East for allowing us to share the pool. It has created a wonderful interactive space for everyone to work on their physical skills.
