Parafed Wellington is a non-profit organisation managed by a board of elected volunteers. Their goal is to provide or facilitate sporting, recreation or leisure opportunities for members.

## Youth Group for 5 – 18 year olds

The Youth Group has been designed so young people can experience a range of opportunities in different sports, recreation and leisure activities.

The aim is to provide pathways to sport, opportunities to compete at regional and national levels, social networks for young members and their families, and improve disability awareness within sport.

All family members are most welcome.
