Kimi News, Week 4, Term 4, 2015

Every year we have a special event during Term 4. Last year the production "Green Eggs and Ham" was a real blast. This year we are excited about our full school dance. This is a time for dressing up, playing games, dancing, sharing food and watching some of the older students perform.

Theme: Celebrations Around the World

When: Thursday 19th November

Where: Kimi Ora, Naenae

What to bring: An outfit (or favourite costume) and food (for a shared meal) inspired by your culture

Family and friends are welcome to join in the fun from 12:30pm

Congratulations to Christopher for making new friends at Living Plus where he is going next year.

Congratulations to Riley for learning about the concepts 'same' and 'different'.

Traveling in Vehicles at School:

When children are on outings with Kimi Ora School they must sit in their wheelchair or a booster seat until they are 8 years old or 148 cm tall.

Please remember to send a sunhat and sunblock to school for your child during the summer months.

Loving it @ RDA!

A major focus of life at Kimi Ora School is MOVE (Mobility Opportunities via Education). Our aim is to have students moving as much as possible in order to have repeated opportunities to learn physical skills in a fun way.

I like to move it!

MOVE International is a philosophy... a way of life; and proven practice that individuals with multiple disabilities can learn to:

- SIT to eat participate in activities, education, and even employment;
- STAND such as washing at a sink, food prep, and upright toileting
- WALK to move to participate in play or complete tasks (with and without support);
- TRANSITION from bed to chair, sitting to standing, etc.; and
- TOILETING AND HYGIENE WITH DIGNITY (vs. being changed horizontally like an infant).

To find out more about MOVE you can go to <http://www.move-international.org/>
