

Kimi News, Week 6, Term 1, 2016

We are hoping for fine weather on Friday for our full school trip to Aotea Lagoon. If the weather is not good we will postpone to the following week - Friday 18 March. We plan to be at Aotea Lagoon from 11 - 1.30pm.

On Saturday Meiny from Kevin O'Leary and Associates came to spend some time with our families looking at vehicle modification and provision. Some things to be aware of...

- There is no funding available once your child has turned 16.
- You will be dealing with two systems: Lotteries for the vehicle purchase and Enable NZ for vehicle modification. These systems aren't necessarily on the same page.
- Always consider how your child may grow, the solution needs to last for more than 10 years.

Contact Kevin O'leary and Associates with any questions you may have.

Movin March - here is some inspiration to get moving during the month of March. A couple of Kimi Ora Staff spotted Kimi Ora graduates during the Round the Bays Fun Run. Round the Bays is a very wheelchair friendly and inclusive event - watch out for it next summer!

Fun in the sun!

It has been great having some sunny days for water exploration. And when the weather turns not so good, you can bring the water fun inside, as shown by Kowhai Class in the photo above!
