Kimi News, Week 6, Term 3, 2015

We had a fabulous day celebrating different cultures on Monday. All of the students came together at Naenae and we were joined by students from some of the neighbouring schools. The day started with an awesome show by Kahurangi Dance Company. The focus was on journeying around the Pacific Islands. We were so proud of how well our students engaged with the music and dancing. What a great audience they were!

After lunch students went into groups to take part in activities such as learning about Samoa (thanks to Lina Stowers), flax weaving, pancakes from South Africa, an Indian sensory story, Aboriginal painting, Irish and Maypole dancing, kiwi games, cooking around a campfire and having an English style Tea Party.

A huge thank you to the parents who helped out by sending in delicious food for the students to try. It certainly created a wonderful experience for everyone.
