

RDA Fundraiser with Evans Bay Intermediate

Last week Kimi Ora School Evans Bay and Evans Bay Intermediate School joined together to raise money for RDA (Riding for the Disabled). The whole process turned out to be a wonderful learning experience for everyone.

On Wednesday, six intermediate students joined Joshua Wong, Kayla, Rachel, Tane, Mily, Shuai'b and Alexia in baking biscuits. There was plenty of action with the switch activated blender as well as lots of pressing and rolling to make shapes. The school smelt beautiful when everyone else returned from the swimming pool.

On Thursday the intermediate students returned to help decorate and bag the biscuits.

Once Friday arrived it was time for selling. The 'Social Communication Group' - Shuai'b, Riley and Rachel had worked hard on learning what to say "Would you like a biscuit? They are \$2". They sold everything! Rose Matheson played the role of official photographer.

We raised **\$199.80!** Thanks to all of the staff who made biscuits and delicious cup cakes at home.
