

Kimi News, Week 7, Term 2, 2015

Thank you all for enabling us to have a staff only day this week. We realise it can be difficult to organise child care or time off work. The time together was highly valuable. Staff spent the day with Mark Sweeny, who facilitated learning around working within teams and ensuring we have a strong vision in creating an awesome learning environment for your children.

What wonderful focus from Alex, Billy and Anika!

Next week we welcome a team from the Education Review Office (ERO) who will be conducting a review of Kimi Ora School. There have been many changes since ERO were with us three years ago and we look forward to hearing feedback about what is going

On Friday Kayla, Darlene and Tom visited Alpha Art Studio in Abel Smith Street. It is a vibrant day-base for people with disabilities to take part in Art making, drama, dance, music, games and to socialise. The people were so friendly and the students made some lovely art work.
