Dance

This term Kowhai and Pohutukawa classes from Evans Bay have been joining Kea class at Naenae for dance and drama sessions. The learning has been based around our topic of transport. It has been wonderful to see the children's creativity, movement and social skills develop during these sessions. Mel Demasi has been leading this project and helping staff to develop their skills in teaching through the medium of dance.

Looking ahead...

This year's big event for Term 4 will be "The Ball". You may remember our last school dance with the theme of James Bond. There is an excited hum going around the school as people are coming up with interesting themes for this year's dance. If you have any great ideas please let your child's teacher know. The date for The Ball will be Thursday 19 November.
