

Kimi News, Week 8, Term 1, 2015

What an exciting week we have ahead! Camp week is always lots of fun. It is a great time for both campers and non-campers to get to know other students and staff members. Everyone has some new experiences and learns a bit about coping when the timetable changes.

The children who are back at school will have similar timetables but as some classes are joined together, there will be some changes in the timetable and in the staff they are working with.

The teachers at Naenae this week are Freya, Liz/Sarah and Marlene. At Evans Bay there will be Melissa and Amanda/Sue Perry.

If you would like the school newsletters emailed to you please email: heatherl@kimiora.school.nz (Evans Bay) or barbaraj@kimiora.school.nz (Naenae)

Scouts – We are so fortunate to have a group of committed Scout leaders. This same crew have been coming to Kimi Ora School for many years. They bring amazing, creative activities for our students and go well out of their way to ensure our students have wonderful experiences, just like they would if they attended a local Scouting group.

This week was a fine example - the Scout leaders helped students make a camp fire, they had camp fire songs and toasted marshmallows! Thank you so much to Adrian and the crew.
