Totara Class joined Tom and Christopher on their visit to Living Plus in Lower Hutt. Living Plus is a day base that is run by MASH Trust. Tom and Christopher will be starting there once they graduate from Kimi Ora at the end of the year. Christopher's class (Kahu) have also been to Living Plus for a number of visits. The clients and staff are so friendly and put on wonderful activities for our students to interact with. This week it was painting Fathers Day cards, music and cookie baking.
