

Kimi News, Week 8, Term 4, 2015

There have been so many exciting events happening over the last couple of weeks. Kimi Ora School has had a lot of visitors, including an artist, students from Worsler Bay School, Police Officers, Navy Officers, staff from Special Olympics and a number of students who are going to join us full time next year. It has been a hive of activity. There is even more excitement to come with many outings and events planned to celebrate the end of a great year!

 Congratulations to Shuai'b for doing so well during the Boccia competition. What great focus and aim!

Local artist, Michael Moore, recently had an exhibition and donated some of the proceeds towards our school. He came with one of his collectors to visit Kimi Ora Naenae on Monday.

Thank you Michael!

Recently Evans Bay had some visitors from Worsler Bay School. The children were interested in finding out about a Special School. They joined a maths session in Pohutukawa Class and came to Assembly where they sang a beautiful song for everyone.

Congratulations to James Smith for doing a great job of settling into his new classroom and for helping others to learn about his needs.
