

Kimi News, Week 6, Term 2, 2016

Ahoy! Every Thursday morning students from Naenae's Pukeko, Kotuku and Piwakawaka classes get to let loose in Pirate time – YARRR! Pirate time is a group Intensive Interaction Interval where students are free to choose their communication partner, move about the room as they are able, and shiver the timbers with a variety of lundlubbers. It's great fun – our buccaneers have a chance to stretch out, some wander around seeking out treasures to share, others lean in for a bit of closeness and a yarn. What adventures we are having together!
